

About the Survey

The Class of 2012 Post-Graduate Survey of undergraduates in the Krieger School of Arts & Sciences and the Whiting School of Engineering, conducted by the Johns Hopkins University Career Center, was completed in March 2013. Graduates were contacted via email, beginning in June 2012, to complete an online survey. Throughout the summer, the Career Center repeatedly invited recent graduates to take the online survey and continued to reach out individually to graduates via phone and email throughout the winter to collect additional data. Altogether, 657 members of the undergraduate Class of 2012 (57% of the class) provided information.
