

## Johns Hopkins 2016 Survey of New Students

Welcome, \${m://FirstName}!

Thank you for participating in the Johns Hopkins Survey of New Students. This questionnaire consists of a set of linked sections that ask about what you expect from college, how you see yourself as a student, and where you think you are heading. We then ask a few questions about the admissions process you just went through and a series of background questions about you, your family, and your high school experiences.

Your participation in this survey is voluntary. Please be assured that the data will be treated as confidential, and the results of any research or analysis using the data will be presented in a way that individual respondents cannot be identified. If data from this survey are used for academic research, the same rules of confidentiality and reporting apply.

If you have any questions or encounter any problems while taking the survey, please contact Ursula Anderson at [uanders1@jhu.edu](mailto:uanders1@jhu.edu).
