

Requesting your accommodations for each class

We are using our software, “AIM”, for all purposes this semester. AIM can be accessed by logging on to <https://york.accessiblelearning.com/JHU/> or <http://studentaffairs.jhu.edu/disabilities/>. The portal is integrated with the Johns Hopkins authentication system and will require you to enter your JHED ID and password.

On your dashboard, you’ll see all your registered courses for the semester. Select the courses for which you want to request accommodations for and click on “Continue to Customize Your Accommodations” button.

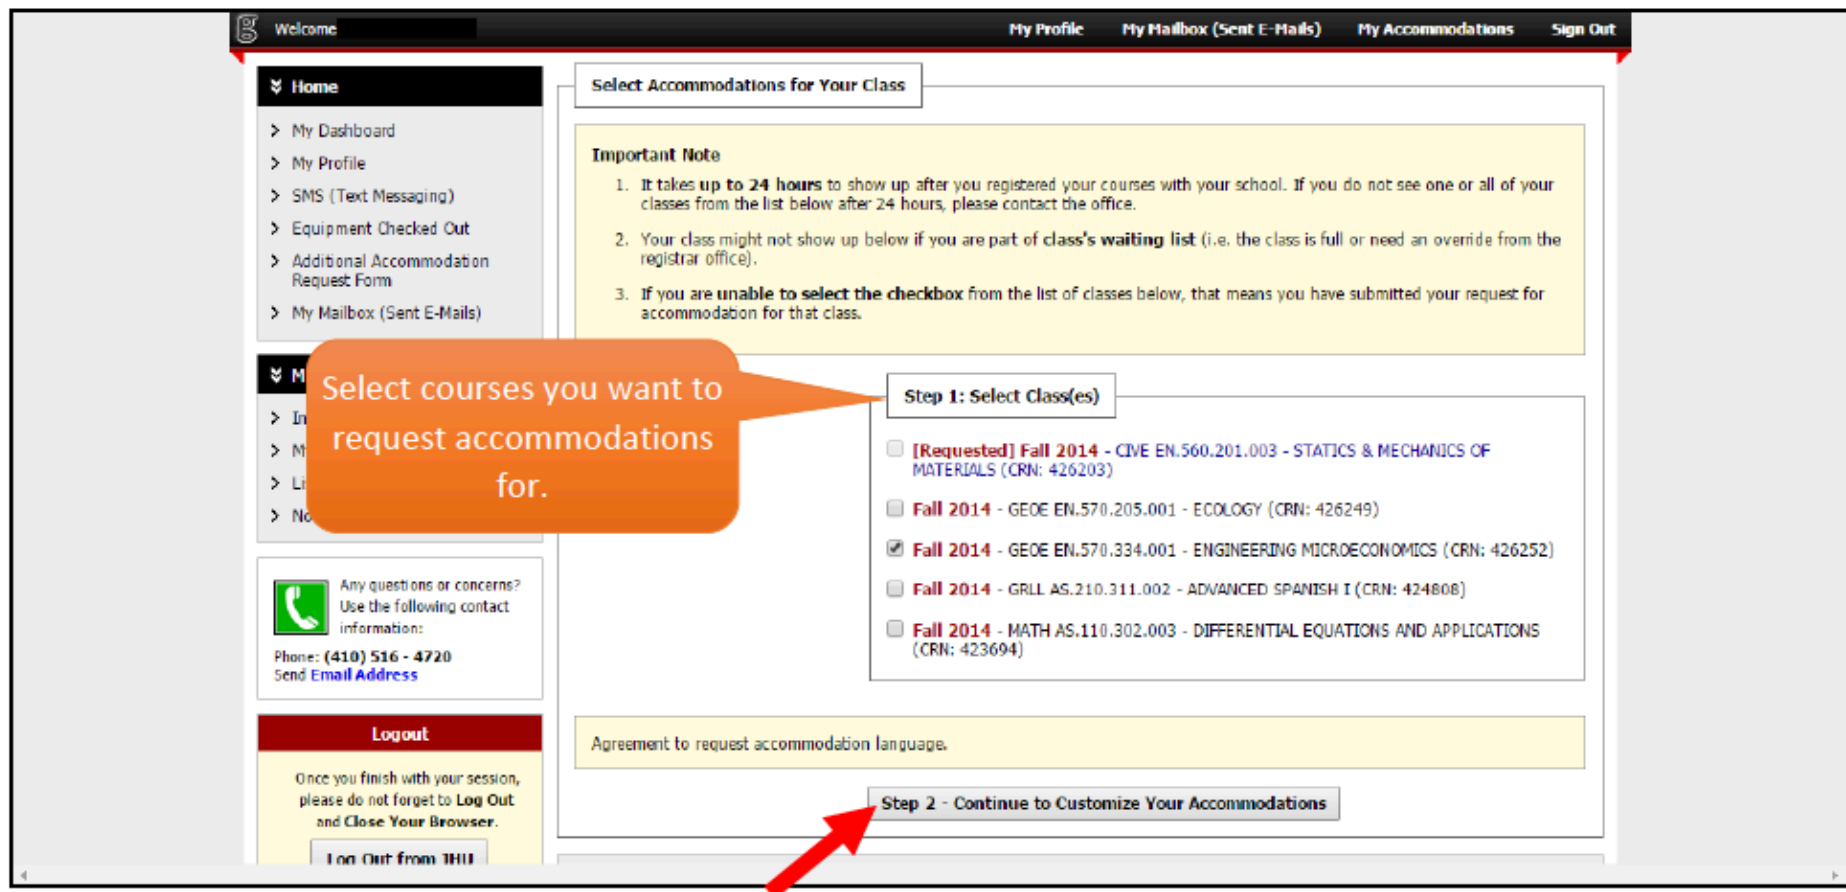

Figure 4: Customizing Accommodations

On the customize page, select the accommodations that you want to receive for each course and then click on “Submit Your Accommodations”.
