

# WHAT TO PACK

*Use this list as a recommended guideline for what to bring with you for your stay in on-campus housing at Johns Hopkins University. Remember to consider the environmental impact of purchasing certain dorm-room essentials, so buy reusable and recyclable items when possible.*

## In your on-campus residence, you will be provided with:

- Desk and desk chair
- Extra-long twin loftable bed frame and mattress
- Dresser or stackable drawers
- Wardrobe
- Mirror
- Window blinds
- Recycling bin and trashcan (trash bags not provided)
- Mini-fridge (Wolman and McCoy only)

### Helpful Tip

There is limited space within the residence hall rooms, so contact your roommate(s) to discuss who will be bringing larger items, such as a TV or a refrigerator. You can rent micro-fridge units and digital lock boxes at [www.myfridgerental.com](http://www.myfridgerental.com).
