

International Medical Schools (for each school, find pass rates on the United States Medical Licensing Examinations, student loan debt for American medical students, and completion rates for American medical students, among other information) **Note: International medical schools must annually report and meet certain eligibility requirements to remain as participants in the federal student loan programs. Additionally, an international school may be eligible to participate in the federal student loan programs, but the school's medical program may be ineligible to participate. This list is a resource only and you MUST contact your intended school to confirm that its medical program is currently eligible and participates in the loan program.**
