

P-TECH at Dunbar

What began in 2011 as an IBM-led school transformation initiative has now spread to over 60 schools in the US and Australia. One of the first Pathways in Technology Early College High Schools in the state of Maryland, **PTECH at Dunbar** is pioneering a new vision for college and career readiness and success.

Through the work of education and industry partnerships, mentoring, and career exposure, PTECH readies our students for college and career success.

The benefits to P-TECH at Dunbar students include:

- ✚ *Three healthcare career pathways: Surgical Technology, Healthcare Information Technology, Respiratory Care*
- ✚ *Graduation in as little as 4 years with a high school diploma and associate degree*
- ✚ *Pairing with industry mentors*
- ✚ *Paid internships and worksite visits*

Mentors Matter!

Mentoring makes a powerful impact in the lives of students. Consider becoming a P-TECH mentor.

- ✚ Only 3 to 4 one-on-one contacts expected. Yes, you certainly can do more!
- ✚ Highly responsive intervention support from the P-TECH school team.
- ✚ Primary mentoring strategy includes weekly electronic communication between a mentor and mentee.
- ✚ Create a lasting positive change in a child's life!
