

# VOLUNTEER

**Inspire a student in reading and support their future academic success for as little as one hour a week.**

## THE VOLUNTEER EXPERIENCE

Reading Partners empowers volunteers like you to become leaders in the Baltimore community by helping struggling readers succeed. Each week, you will meet one-on-one with your student to help him or her develop strong literacy skills and discover a passion for reading. We'll provide a proven, structured curriculum, in-person training, and ongoing support to help you and your student thrive.

- Give as little as one hour a week. We welcome more!
- Flexible weekday volunteer times are available.
- Follow a highly effective, structured, and easy-to-use curriculum.
- No formal teaching experience is required.

Reading Partners currently serves students in 19 Title I schools throughout Baltimore City. We transform an empty space of our partner schools into a functioning reading center, providing a positive learning space for students and their volunteer reading partners.
