

Are you interested in serving immigrant communities?

Then become an AmeriCorps Member for the

New Americans Citizenship Project of Maryland

Citizenship Maryland AmeriCorps Program

The Citizenship Maryland AmeriCorps program is focused on helping legal permanent residents (LPRs) increase their economic opportunities by preparing them with the knowledge and skills necessary to pass the naturalization interview with U.S. Citizenship & Immigration Services, as well as learning basic financial knowledge and skills. The project is coordinated by CASA as part of the New Americans Partnership, funded in part by the Corporation for National and Community Service (CNCS) and the Governor's Office on Service and Volunteerism (GOSV).

The Baltimore City Community College Citizenship Preparation Program is seeking an AmeriCorps Member for the 2018-2019 Program Year

Full-time AmeriCorps members are expected to complete 1,700 hours of service by the end of the term. The full-time member's schedule is flexible but will serve approximately 40 hours per week.

Benefits include:

- Living stipend
- Education award
- Health care coverage
- Transportation subsidy
- Professional development training

Members provide services to LPRs which include:

- Program Outreach
- Teaching Citizenship classes
- Database Management
- Social Media
- Citizenship Workshops
- Financial Education
- Referrals to immigrant integration services
- Volunteer Coordination

This full-time AmeriCorps position at BCCC will begin on September 4, 2018 and conclude in August 2019.

If interested, please contact Yana Cascioffe, Citizenship Program Coordinator at:
