POLICY

Information will be made available to patients concerning fees for services at the Student Health and Wellness Center.

PURPOSE

To ensure that patients are aware of any fees they may incur at the Johns Hopkins Student Health and Wellness Center.

PROCEDURE

1. The Student Health and Wellness Center will list fees charged for office visits, services, supplies, and medications on the Student Health and Wellness Center website.
2. Information is provided to entering students about Student Health and Wellness Center fees.
3. The administrative staff/patient services coordinators will notify any student, prior to the visit, if there will be any fees for visits to the Student Health and Wellness Center.
4. At the time of service, the provider will review fees with the patient.
