Finance Academy participants are **driven students** looking for the opportunity to work on Wall Street, in corporate America, or in multinational corporations to drive local and global economies ethically. **Close partnerships with professionals** from companies like J.P. Morgan Chase, Morgan Stanley or Goldman Sachs **help students build a strong career platform.**

### HOW CAREER ACADEMIES WORK

Each academy has an employer relations and student career development staffer dedicated to connecting students with top companies and industry-specific knowledge. They work with a community of employers, alumni, faculty and parents in the finance industry who provide professional business insights and connections so you graduate “career ready” for your field. Choose this academy as a Career Interest in Handshake to get involved.

### FIRST YEAR SUGGESTIONS

- Complete Careers 101 and attend Career Center foundational workshops
- Take introductory classes like macroeconomics, develop quant skills
- Get involved with the Salant Investment Team, the Financial Analysts Club or AKPsi
- Learn about the Bloomberg terminal and get access to Wall Street Prep through the Career Center
- Attend a networking event and find a junior or senior mentor in finance
- Apply for financial literacy intersession course
- Secure a summer internship for post-sophomore year
- Go to Finance Career Week and the on-campus networking reception
- Begin reading the Wall Street Journal, Bloomberg or Reuters regularly
- Contact alumni through GoHopOnline to prepare for shadowing and internships
- Have an internship? Go to Finance Boot Camp and reception in NYC during break
SECOND YEAR

Fall
- Take courses like Financial Statements
- Consider doing study abroad this year! Or senior year, so you have time to interview in junior year
- Practice stock pitches and behavioral or technical interviews using InterviewStream
- Figure out what your specific interests are: investment banking, sales and trading, asset management, etc. Research firms in that area.
- Get more involved in finance-related groups, and make sure companies see you at info sessions on campus

Spring
- Apply to the finance Mentoring Network
- Find a summer internship for your junior year
- Keep attending finance academy weeks, alumni networking events and receptions
- Take the Bloomberg Aptitude Test
- Learn and enhance MATLAB and Excel Skills
- Go to the summer Finance Reception in NYC
- If you have an internship, be ready to update your resume and report to the Career Center your experience
- The deadlines for bulge bracket firms start in August! Stay up to date on deadlines and be ready to apply over summer

JUNIOR YEAR

Fall
- Applications for summer internships should be complete
- Check Handshake and your Finance Academy Newsletter regularly for updates
- Perfect your resume, pitch, and behavioral and technical interview skills through finance academy programs

Spring
- Go to the on-campus student networking reception, and also stay in touch with your FNM mentor
- Attend the summer finance reception in NYC
- If you aren’t interning, begin reaching out to alumni in boutique firms and hedge funds for other opportunities

PROFESSIONAL ASSOCIATIONS
- Association for Financial Professionals
- Society of Financial Service Professionals
- American Finance Association
- International Federation of Accountants
- Professional Accounting Society of America

SENIOR YEAR

Fall
- Research finance functions outside of Wall Street
- Leverage your network to find full-time opportunities

Spring
- Attend on-campus networking reception
- Mentor freshmen
