- Food in any of the on-campus dining facilities including Nolan’s and Hopkins Café cannot be brought in by individuals or an outside caterer.

ACCOMMODATIONS AND REQUEST

Prior to selecting a meeting location, you should consider any special accommodation requests of speakers and/or attendees. Please note there are various locations/rooms on campus that do not accommodate certain needs and you should inquire prior to confirming the speaker or invitations to the event. At least ten business days prior to the event date, you must provide Scheduling & Event Services any request for disability related accommodations requested for attendees. Accommodations and Requests include, but are not limited to first floor rooms, proximity to certain buildings on campus, assistive technologies, interpreter, etc.

SERVICES PROVIDED

Scheduling & Event Services will schedule space for student organizations. Please note you may not always receive the space you request. In an effort to ensure we are maximizing the usage of space on campus, we may need to assign an alternative space more conducive to the event or activity. Our Special Event Coordinators will work with student organizations to make sure the space is setup, cleaned, schedule any AV support or equipment, rent any outside equipment, and provide room signage.

ZERO WASTE EVENTS

The Homewood campus office of Sustainability has created a guideline to help plan and navigate through the zero waste event process. A list of caterers and the complete guidelines to hosting a zero waste event on the Homewood Campus can be found on their website. Your assigned Special Event Coordinator can help you with ordering additional recycling/compost containers if needed.

RESERVATION CANCELLATIONS

A group cannot release a room to another group without the review and approval of Scheduling & Event Services. All scheduling changes and cancellations must be submitted through Hopkins Groups and you must contact your assigned Special Event Coordinator. Violation of these policies may result in a group losing room reservation privileges.

The group is responsible for submitting all changes and cancellations at least 4 business days in advance. Failure to submit changes and cancellations in writing through the Hopkins Groups portal may result in cancellation fees. You may also loose room reservation privileges for the remainder of the semester/academic year.

FEES AND CHARGES

Registered student organizations are not charged for the usage of classrooms and meeting spaces on the Homewood campus, however there may be additional equipment or services requested that would involve charges. Rooms must be left in the same condition in which they were found. Trash and recycling containers are available in every room. Should a spill occur, please contact a student monitor for that building or call security and ask that they inform custodial of the incident with the building and room location. Security can be reached at 410-516-4600. If spills or damages occur, the student organization will be responsible for any materials or additional cleaning charges.

Reservations which necessitate overtime or other extraordinary expenses, will be billed to the organization through a transfer of funds. Scheduling & Event Services will coordinate and schedule the services and charge to the organization through the cost center number, which must be provided prior to the event.

ADVANCE RESERVATION REQUESTS

Advanced reservation requests may be made by a group who wish to reserve space for a major event on date(s) extending beyond the upcoming spring and fall semesters. The event request must be submitted through your Hopkins Groups student profile, dates are not guaranteed, but will be reviewed and confirmed with as much notice as possible.

AUDIO/VISUAL

Events with audio-visual needs must be requested through Scheduling & Event Services at least seven (15) business days prior to the event. If not requested within the required days, a late fee will be assessed by KIT-CATS and any service or equipment requested is not guaranteed at that point.

Use of the piano in Levering Hall should be requested seven business days in advance. Tuning fees may apply if requested. The piano may not be moved out of the building.

Please note some rooms come with built-in technology available for group’s usage. Some locations do not have built-in equipment and must be rented through KIT-CATS. Scott-Bates Commons meeting rooms have built-in equipment that only student ambassadors and KIT-CATS staff may operate. If your event is during a time when student ambassadors are not on duty, we will be required to contract with KIT-CATS for AV support in Commons. The student group will incur the cost. Student ambassadors are not on duty over, Fall break, Thanksgiving break, Intersession, Spring break, or summer.

All Events in Shriver Hall needing AV require KIT-CATS staff to operate equipment. The cost will be charged to the student organization.

EVENT HOURS

Event hours for the facilities and services:
• Monday – Friday: 8:30am – 11:30pm
• Saturday – Sunday: 10:00am – 11:30pm on Saturday and Sunday.

Events will not be scheduled and services will not be provided prior to or after these hours.

Any group, who submits a request to extend beyond the event hours, will need to be reviewed and approved. Additional charges will be assessed if request is approved in order to appropriately staff the building. Fees will be based off the request and on a case-by-case basis.

MISUSE OF UNIVERSITY FACILITIES

In order for groups to continue to enjoy the privilege of using campus space, organizations are responsible for following the reservation policies. University spaces are only to be reserved and used by JHU eligible groups. Student organizations should not reserve space for an outside or personal Organization not affiliated or part of the student organization reserving the space. Any misuse of space may result in scheduling privileges being revoked for the semester or beyond. Groups are not permitted
to use space not on their reservation. Should groups use spaces that are not part of their reservation, they will be asked to vacate the room and may lose their scheduling privileges.

GENERAL POOL CLASSROOM SPACES

All general pool classroom spaces should be requested on-line through Hopkins Groups. Registered Homewood student organizations may not reserve academic general pool classrooms for an activity less than fifteen (15) business days, which does not include weekends or holidays, in advance of the needed date.

OUTDOOR SPACES

All outdoor spaces must be reserved and follow the same policies and procedures as indoor spaces. Any tables and chairs or other equipment needed will be rented. It is the responsibility of the group for any fees related to rentals and facilities labor.

Groups may request to use the tabling through Hopkins Groups student organization portal. Each reservation may request up to two tables.

Events that require JHU assistance with tents or grilling should be scheduled at least 15 business days in advance of the event. More time may be needed for larger events.

Tents where permissible must be approved by JHU facilities before assembling. If approved, these structures may not use stakes for anchoring, however ballasts such as water jugs and concrete blocks are acceptable. If group needs a tent 20x20 feet or larger, it is required to have a city permit BEFORE installation which could take over one month to obtain that permit so groups should plan accordingly if needing a tent of this size.

Light grilling is also permissible on campus with approval from JHU facilities. Plywood must be placed underneath the grills and all hot coals and ashes disposed of in coal cans. Placement of grills must be coordinated via your assigned Special Events Coordinator.

Cleanup is the responsibility of the organization or individual sponsoring the event. The event site must be left neat and free of trash and other debris each day. All tables, chairs and/or structures must be dismantled and removed at the end of the event. All services (including working with JHU facilities) and equipment rentals for outdoor events will be coordinated through Scheduling & Event Services via your Special Events Coordinator listed on your confirmation form.
