External Reservation Guidelines

The Homewood Campus provides meeting and event space available to outside organizations, community members, businesses, and city and school entities. Space may be rented for a variety of meetings, trainings, workshops, vendor fairs, speaker series, and other special events. All events are subject to approval process.

FEES AND CHARGES

In order to receive a complete cost estimate, please submit your on-line request through the on-line scheduling site, <https://eventscheduling.jhu.edu/Client/Home/Index>, and a proposal will be generated. You may also submit the on-line inquiry form located on the scheduling site, <http://studentaffairs.jhu.edu/community-living/scheduling-event-services/inquiry-form/>, and we can work to assess what your needs may be to provide an accurate cost estimate.

Outside organizations are responsible for room rental fees, any additional labor and equipment, insurance, administrative services, and any special rentals or requests.

Rooms must be left in the same condition in which they were found. Trash and recycling containers are available in every room. Reservations, which necessitate overtime or other extraordinary expenses, will be billed to the organization.

Extraordinary expenses include, but are not limited to:

- a) weekend events which require room set up and breakdown

RESERVATION CANCELLATIONS

Room reservations are non-transferable. An organization cannot release a room to another organization. Any scheduling changes must be made through Scheduling & Event Services.

If an event is canceled or a schedule change is made, it is the responsibility of the organization to inform the Scheduling & Events Services at least two business days in advance. There is no guarantee a scheduling change can be accommodated. A telephone cancellation must be followed-up in writing. Failure to contact Scheduling & Event Services will result in fees per the contract.

SERVICES PROVIDED

Scheduling & Event Services will schedule space for an outside organization as appropriate. Please note you may not always receive the space you request. In an effort to ensure we are maximizing the usage

of space on campus, we may need to assign an alternative space more conducive to the event or activity. Once an event is contracted, a Special Event Coordinator is assigned to the event. The coordinator will work with the organization to handle all on-campus logistics and arrangements. You will have one contact, one contract, and one invoice for all on-campus facilities and services provided.

Additional services may be provided with an additional fee. Additional services include:

- scheduling and contracting out for outside catering
- accepting and processing on-line registrations and payments
- on-site registration assistance
- contracting for off-site event locations
- arranging charter bus services
- developing and providing name badges
- folder and packet printing and assembly

Scheduling & Event Services reserves the right to relocate the facility rooms and/or classrooms assigned. In the event a room relocation needs to occur, Scheduling & Event Services shall give the group representative written notice of such relocation as soon as possible, specifying the location of any relocated rooms. All relocated rooms shall be comparable to the rooms originally assigned and shall have sufficient capacity to handle the reservation count. Groups are not permitted to use space not on their reservation. Should groups use spaces that are not part of their reservation, they will be asked to vacate the room, incur a fee, and may no longer be able to obtain and rent space.

The presence and use of alcoholic beverages may be permitted at events, but requires a licensed caterer to serve. The organization must obtain proper licenses if alcohol is being sold at the event. The legal drinking age in Maryland is 21 years of age. No one under the age of 21 may consume alcohol. A system for identifying proof of age must be provided.

Food may be brought into meeting spaces using our on-campus caterer or through an outside licensed caterer. Food is restricted from being brought in by individuals or an outside caterer to academic general pool classrooms or into any of the on-campus dining facilities to include Nolan's, Fresh Food Café, and the Lab.

Due to new state and university policies, all events with guests 250 or more must have a certified crowd manager present at the meeting or event. Larger events over 250 will need to designate an additional crowd managers for every additional 250 people. It is the responsibility of the User of this agreement to make sure there is an on-site designated crowd manager and this person receives the certification. Certification can be obtained easily by visiting <http://www.firemarshal.state.md.us/> and watching the brief video and answering the certification questions. The on-site crowd manager must be able to present a copy of the certification if requested during the event. You can print out a certificate after completing the certification on-line.

Events with audio-visual needs must be requested through Scheduling & Event Services at least seven business days prior to the event date. If not requested seven business days in advance, a late fee will be assessed by KIT-CATS and any service or equipment requested is not guaranteed at that point. Scheduling the space does not mean av is automatically scheduled. The organization must request and communicate needs in order for AV to get scheduled.
