Handshake is now available to ALL JHU schools! Check out the resources for students with disabilities by:

1. Log in to Handshake (you already have an account using single-sign on!)
2. Go to the Career Center menu on the top left and choose “Resources”
3. Go to Homewood: Disability, Diversity and Inclusion Resources

If you have questions about exploring careers, finding tools and resources, or organizing a job search, you can meet with Lauren Barrett (lbarre11@jhu.edu) either during her drop-in hours (Tuesdays 2:00-4:00 in Levering Café) or make an appointment online using Handshake.
