Directions to the National Fellowships Program Office (14 Shriver). Shriver Hall is building number 66 on the Homewood Campus map. From Wyman Quad in front of the building: When you enter the lobby go down the stairs at the far left, wind down to the basement, walk out & along the main hallway there, turn left & go all the way down another hallway that slopes down with vending machines at the end of it, go right, make a quick left (you'll see a service entrance), and left again (through two doorways). You'll see a sign for National Fellowships Program.
