Preamble

We, the social Greek fraternities of The Johns Hopkins University, with the understanding that we are contributing members of the University and surrounding communities, re-establish this Constitution.

In order to advance our intellectual, cultural, and social goals, we endow the Inter-Fraternity Council with the powers and responsibilities outlined herein. To take full advantage of its position as an administrative and legislative body, we pledge to abide by its Constitution and Bylaws, allowing for the establishment of greater cooperation among fraternities and their members towards the end of improving the individual organizations.

To change or amend this Constitution, a three fourths majority vote of the General Assembly is required. In the case of any oversight, Roberts Rules of Order shall be used.
