Family Weekend has been confirmed for October 25–27, 2024! This annual celebration is an opportunity for families to join their student on campus and get a taste of their home away from home.

A variety of activities will be offered to appeal to the many different interests of our students; some will require advance registration and payment. Registration will open after classes begin in the fall. Once the schedule is announced, please share it with your student and decide together which activities will work with their schedule before registering. Spring tuition and FAFSA

Spring tuition payments are due February 5, 2024. Any questions related to making payments, tuition bills or third party payers should be directed to the [Office of Student Enrollment and Account Management \(SEAM\)](#).

Due to technical difficulties, the FAFSA application deadline has been extended to February 15, 2024. Any student who wishes to be considered for financial aid should complete the FAFSA form each year. Questions regarding FAFSA should be directed to [SEAM](#).
