Audit (AU): When a graduate student enrolls in a course with "audit" status, he/she must reach an understanding with the instructor as to what is required to earn the "audit" grade notation. If the student does not meet those expectations (e.g., fails to attend class), the instructor must notify the Registrar's Office in order for the student to be retroactively dropped from the course. Dropped coursework does not appear on the student's transcript.

Changing a course registration from "Audit" (student receives no letter grade) to "Credit" (student receives letter grade), or from "Credit" to "Audit" is permissible during the Office of the Registrar's official deadlines for each semester. Registration changes beyond this deadline are not permissible.

The following ASEN Graduate Courses cannot be taken for AU (Audit):

- · Graduate Research
- · Dissertation Research
- · Master's Thesis
- · Master's Essay
- · Independent Study

These courses can only be taken as P/F or a letter grade, at the instructor's purview.

Prior to the beginning of classes: Returning graduate students may make changes to their registration in-person or online through the SIS system. The SIS system is available for use up to ten weeks prior to the first day of classes.

Through the eleventh week of classes: Graduate students may withdraw from a course with the signatures of the instructor, department chair, and the student's respective Dean's Office personnel. All withdrawals during the seventh through eleventh weeks will be noted with a "W" on the student's transcript.

After the end of the sixth week and until the end of the eleventh week, a student may withdraw from a course with a "W" on the academic record. Required signatures, and the order of the signatures required, detailed below:

AS—3 signatures required (in order as listed):

- 1. Instructor
- 2. Department Chair
- 3. Renee Eastwood, Assistant Dean for Graduate and Postdoctoral Academic and Student Affairs

EN-3 signatures required (in order as listed):
