

Subject: Fall 2022 Grading to Open Friday, December 16!

Sent: Wednesday, December 14, 2022

Dear Faculty,

As the primary instructor for a Fall 2022 course in the Whiting School of Engineering or Krieger School of Arts & Sciences, I wanted to inform you that **grading will open this Friday, December 16, 2022** for full term courses! If you also teach a Term 2 Short Course, that grading period will not be open until 12/23/2022.

Grading for Graduating Seniors is due Tuesday, 1/3/2023

Online Grading in SIS will close Tuesday 1/3/2023 for Term 2 courses and Friday 1/6/2023 for full term courses and at 11:59PM. On each respective date all saved grades will be posted to records, even if they are not posted to registrars.

In the interim, you may want to review the following:

1. Summary of Grading related policies and procedures can be found here: [Letter from the Homewood Registrar on Grading](#)
2. Logon to SIS Self-Service (<https://sis.jhu.edu>) and check your grading access for your courses/sections. If the Roster Status box says *you do not have grading access to this class* when you expected to have this access, please reach out to your Department Coordinator. The University is now closed 12/26-12/30 so any updates to grading access will need to be submitted well in advance of this closure.

Please feel free to contact us if there are any questions!
