Subject: Spring 2024 Undergraduate Student Registration Information

Dear Undergraduate Student:

Spring 2024 registration will begin this Friday, 11/10/2023. There are some important dates and information the Office of the Registrar-Homewood Schools would like to share with you.

If applicable, alerts may be added to SIS on or about 10/09/2023 that may delay or impede your registration. **Please be sure to resolve all alerts prior to registration**. Following are the instructions to view alerts in student self-service.

For more information on alerts, please visit seam.jhu.edu.

The course schedule, Course Schedule | Office of the Registrar (jhu.edu) has been viewable since Monday, 10/23/2023.

Important Undergraduate Student Term Dates and Deadlines can be found at Undergraduate Registration | Office of the Registrar (jhu.edu).

What's New:

Effective Spring 2024, students are no longer permitted to register for time conflicts at the time of registration (Registration Policies < Johns Hopkins University (jhu.edu)). Students are required to obtain email approvals from course instructor(s) in order to be registered by SEAM for courses with a time conflict. If you have a unique situation, please contact your academic advisor. **Advisors do not have the authority to override or appeal a faculty members decision to disallow a time conflict. We will no longer use the online form.**

If you have any questions or concerns, please create a SEAM case at Student Case Management (jhu.edu).
