

Subject: Fall 2024 Undergraduate Registration

Sent: Thursday March 21, 2024

Dear Undergraduate Student:

It has come to our attention that Fall 2024 course registration date for Rising Juniors (beginning April 10) conflicts with the Eid-ul-Fitr Holy day this year.

Due to the staggered registration dates for Homewood students and to ensure equitable access to registration the start of Fall 2024 registration will begin on April 15, 2024.

April 15: Graduate, Continuing and Rising Seniors

April 17: Rising Juniors

April 19: Rising Sophomores

The Office of the University Registrar regrets this oversight.

We are currently looking ahead to ensure that these conflicts do not occur in the future.

Best,

Office of the University Registrar
