

**Subject:** Fall 2024 Grading to Open Friday, December 6!

**Sent:** Thursday, December 5, 2024

Dear Faculty,

As the primary instructor for a Fall 2024 course in the Whiting School of Engineering or Krieger School of Arts & Sciences, I wanted to inform you that **grading will open tomorrow, Friday, December 6, 2024** for full term courses! If you also teach a Term 2 Short Course, that grading period will not be open until 12/20/24.

**Grading for Graduating Seniors is due Friday, 1/3/2025**

**Online Grading in SIS will close Friday, January 3, 2025 for full term courses** at 11:59PM. This term, the graduating senior date aligns with the date for full term classes. On this date all saved grades will be posted to records, even if they are not posted to registrars.

**The above grading period is your opportunity to bulk grade!** If you miss this grading window, you will have to individually grade your students via Grade Change Webform. Timely grading is required by the Faculty Handbook: all grades should be submitted 48 hours after the final examination is given.

**In the interim, you may want to review the following:**

1. Summary of Grading related policies and procedures can be found here: [Letter from the Homewood Registrar on Grading](#)
2. Log on to SIS Self-Service (<https://sis.jhu.edu>) and check your grading access for your courses/sections. If the Roster Status box says *you do not have grading access to this class* when you expected to have this access, please reach out to your Department Coordinator. Please keep the University Holiday schedule in mind when sending updates!
