

Subject: Customized Academic Learning Grading is now Open!

Sent: Friday, August 8, 2025

Dear Faculty,

Our records indicate that you are the primary instructor for a Summer 2025 Research, Independent Study or Internship course in the Whiting School of Engineering or Krieger School of Arts & Sciences. We wanted to inform you that **grading is now open** for these courses!

Online Grading in SIS will close Friday 8/15/2025 at 11:59PM. At this time, all saved grades will be posted to records, even if they are not posted to registrars.

In the interim, you may want to review the following:

1. Summary of Grading related policies and procedures can be found here: [Letter from the Homewood Registrar on Grading](#)
2. [University IT Grading Resources](#)
3. Incompletes can no longer be added at grading and need to be requested by the students in SIS, that form closes today!

Please feel free to contact us if there are any questions!
