Starting a payment plan after the semester’s payment plan start date will decrease the number of monthly payments/semester, therefore increasing your payment amount each month.
Third Party Payer
seam.jhu.edu

• Third Party Payers are when an organization, such as an employer, directly pays all or part of a student’s tuition and fees to Johns Hopkins.

• Students must select a third party payer and submit documentation and for each semester/term in SIS Self-Service. The due date is August 14 for fall and January 22 for spring semesters.
Third Party Payer (continued)

• Students can monitor the status of the third party process in SIS Self-Service. As each process is completed, the student will be able to see the status updates in SIS Self-Service.
• Contract Received
• Contract Accepted: Your contract has been reviewed by TPP and was accepted.
• Contract Denied: Your contract has been reviewed by SEAM and was not accepted. An email is sent to the student to explain why it was denied.
• Invoice Submitted: TPP has submitted an invoice to your third party.
• Invoice Rejected: Your third party has rejected payment of your submitted contract. TPP will contact you directly via email to follow up.
• Payment Received: TPP has received payment from your third party.
• Payments that are not received from the third party payer will become the responsibility of the student
Not Considered a Third Party Payer with TPP

- Payments from family members or friends
- Payment plans
- Employer reimbursement
- Students who participate in employer tuition reimbursement programs should plan to pay all tuition and fees at the time of registration and follow their employer’s procedures for requesting reimbursements.
  - JHU does not accept contracts with third party payers that require grade/transcript review before payment or other conditions.
- If you are a Johns Hopkins University employee, visit the JHU Benefits & Worklife Tuition Assistance page for more information.

Questions about billing, payments, or refunds?

Contact the **Office of Student Enrollment and Account Management (SEAM)**.

Frequently Asked Questions

- Why is my Fall bill more than I expected?
- Why is my financial aid award not showing on my bill?
- What if I need to request additional financial aid?
Why does my enrollment deposit (i.e., $600) show up on my billing statement for the Fall semester?

When you accepted your offer of admission to Hopkins, you may have paid a deposit/down-payment to the Admissions Office to confirm that you would be attending. **This is counted as your first payment towards your Hopkins bill and shows up as a credit (payment already made) towards your charges.** This will not be repeated in future semesters.

What is the $500 matriculation fee?

Each new JHU student is charged a **one-time fee** as they matriculate/enter as a Hopkins student. This will not be repeated in future semesters.
Why are my outside scholarships not showing on my bill?

- Outside scholarship credits will only appear on your billing statement once the funds have been received by Hopkins.

- If your scholarship check has not yet been posted to SIS Self-Service, you can deduct the amount of expected outside scholarship from your amount due to determine how much to pay.

- Check with your outside scholarship agency; some require you to submit a copy of your billing statement and/or your course schedule to confirm your enrollment at Hopkins before they send us the scholarship check.
Frequently Asked Questions

Why are my outside scholarships not showing on my bill? (cont.)

• Scholarship checks should be made payable to JHU and should be mailed to:
  
  Johns Hopkins University
  Student Accounts Operations
  Garland Hall B076
  3400 N. Charles Street
  Baltimore, MD 21218

• Outside scholarship checks may require your signature/endorsement before we can formally credit them to your account. We will notify you if you need to sign any checks.

• As a reminder, outside scholarships may adjust your financial aid eligibility. 
  **To report outside scholarships, please log into your SIS Self-Service account and click the Applications tab for the Outside Award Notice form.**
Frequently Asked Questions

Why are my loans not showing on my bill?

Hopkins financial aid awards do not initially include loans, but students and parents may borrow low-interest loans as part of their family’s strategy to cover college costs.

• **To request a Federal Direct Student loan, please log into your SIS Self-Service account and click the “Online Forms” tab for the Loan Action Form.**
  • First-time student borrowers will also need to complete online forms with the federal government at [https://studentaid.gov](https://studentaid.gov): Loan Entrance Counseling & Master Promissory Note (MPN).

• **Loans will not post as anticipated credits on your bill until all needed paperwork has been submitted and processed.**

• Federal Parent PLUS loans can be requested via [https://studentaid.gov](https://studentaid.gov) and will require a credit check and MPN.

• **FYI: Loans will not automatically roll over from year to year; students/parents must request loans each year that they wish to borrow.**
Why is my Fall bill more than I expected?

Please review your billing statement carefully for expected charges and credits. **If any of your financial aid is missing from the bill, please contact us so that we can help.** If there is an unexpected charge, please contact SEAM Student Accounts.

• EXAMPLE: Charge for UG Health Insurance
  
  Fall $1169  Spring $1,947  Annual Cost $3,116

• Reminder: Hopkins requires that all students have comprehensive health insurance. Students are automatically enrolled in JHU insurance each academic year. **To waive the school-sponsored health insurance plan, please log into your SIS Self-Service account and click the link for the waiver form. Once your waiver has been processed, the charge will be removed from your SIS bill.** The waiver must be completed each year.

FYI: Student Financial Support provides limited grant funding for high-need students who are ineligible to waive the university health plan, i.e., Medicare recipients.
What if my family’s circumstances have changed (i.e., job loss) and I need to request additional financial aid?

If financial circumstances are affecting your ability to attend Johns Hopkins, we would like to have the opportunity to reconsider your eligibility for financial aid. We recognize that family situations are dynamic. Unexpected events such as loss of income, death, major illness, and disabilities can adversely affect a family’s ability to meet educational costs.

We are committed to meeting additional need and supporting families to the extent that our resources allow.

1. Meet with your FA adviser to discuss your circumstances
2. Submit a Request a Reconsideration request with relevant documents
Frequently Asked Questions

Do students have to reapply for financial aid every year? Will eligibility change?

Yes. Students must reapply for need-based financial aid each year. Our office will review your family’s most recent financial circumstances to determine your eligibility. Most families receive similar financial aid packages each year, but changes to financial circumstances and the number of family members in your household/college do impact aid eligibility.

Requested deadline for 2025-2026 year is January 15, 2025:

1. FAFSA
2. CSS Profile
3. 2023 taxes & W2s via IDOC
Frequently Asked Questions

Does Hopkins cover a computer purchase?

• Yes. Students receiving financial aid are eligible for a computer tech grant to cover the cost of a computer purchase. Our tech policy allows for a one-time purchase of a computer and relevant accessories (mouse, keyboard, etc.) up to $2000. Students will need to complete a Budget Adjustment Request for the computer purchase via SIS, and attach a screenshot of their receipt or shopping cart quote.

• The tech grant will be refunded directly to the student.
How do I utilize federal work study?

• Most students are eligible for up to $2700 in Federal Work Study (FWS). Work study gives students the opportunity to work part-time, on or off-campus, to cover indirect college expenses. Your work employer pays you directly. FWS means that the government covers a portion of your employer’s wages to you. **To utilize FWS, you will need to provide your employer with the Authorization Form, found in SIS > Financial Aid > FWS Authorization Form.**

• Some students are awarded Hopkins Work Study (HWS) instead of FWS. HWS is the work study portion of your award package and acts as a placeholder for potential work earnings. This award is offered to students who do not meet eligibility requirements for Federal Work-Study (FWS), as determined through the FAFSA.

• The University Experiential Learning Office offers job postings and tips to assist you with finding a position through their SMILE database.
