Meal Plan Info

Meal Swipes

- Meal Swipes can be used at Hopkins Café, Nolan's on 33rd, and for Meals-in-a-Minute at Charles Street Market (Char Mar).
- Meal Swipes expire end of day Saturday. Any swipes left over are forfeited and do not carry over to next week.
- If weekly swipes expire, Dining Dollars can be used at locations with meal swipes.

Dining Dollars

- Dining Dollars are able to be used at dining retail locations across campus such as Charles Street Market, Levering Kitchens and Levering Café.
- Dining Dollars carry over from fall to spring but expire at end of the spring semester unless student enrolls in a meal plan for the next academic year.
- Additional dining dollars can be added at any time on our [website](#).

Meal Plan Change Periods

- Students have two opportunities during the academic year to change their meal plans:
 - Fall 2025: Tuesday, August 25 – Friday, September 5
 - Spring 2026: Monday, January 12 – Friday, January 23
- Meal plan changes are not permitted outside of these change periods. Meal plan cancellations are not permitted.
- Details on the change process will be sent to students during both semesters.

Dietary Restrictions

- Our new Blue Jays are asked to complete a form as part of their Housing Portal on any dietary restrictions and allergens, it is important that this is filled out.
- You will have the opportunity to meet with our dietitian and culinary team upon request.
- We provide a variety of menu options that will likely meet your Blue Jay's needs whether it be related to religious restrictions, dietary preferences, or allergens
- In an effort to help your Blue Jay feel confident in their food choices, we denote foods that contain any of the most common allergens or meet dietary preferences (vegetarian, vegan, halal, etc).
- Please review our resource guides for: [dietary restrictions](#), [healthful eating](#), and [Halal dining](#).

Dietary Restrictions Form

- If students have any allergies and/or dietary preferences, please complete the form below. If you would like to connect with the dietitian, please email diningdietitian@jh.edu
- The link to the form is: <https://wkf.ms/3CeltOe> or please scan the QR code below:

Retail Meal Exchange

- Students have the option to use a meal swipe in exchange for a dinner entrée, side and beverage at Levering Kitchens.
- Stations available at Levering Kitchens include Red Lantern Kitchen, Levering Taco Kitchen, Tossed Kitchen and Mosaic Global Kitchen.
- Option available during dinnertime only (4-9pm, M-F) at Levering Kitchens.
- At Charles Street Market, Meals-in-a-Minute (MIM) allows students to pick from a variety of sandwiches and salads, snacks, and a beverage- all for just one meal swipe.

Access Daily Menus via Nutrislice

- Our digital menus are powered through Nutrislice- a foodservice technology company dedicated to delivering a modern & memorable guest experience.
- Students can access menus & nutrition information through a customized Hopkins Dining Nutrislice website: <https://hopkinsdining.nutrislice.com/>
- Features include:
 - View daily menu offerings
 - Filter menu based on allergies or dietary restrictions
 - View nutritional content/ingredients of food
 - Dining location hours of operation
- Nutrislice also powers digital menu boards in residential and retail dining locations.

Txt n' Tell Feedback Program

- Touchwork's Txt n' Tell is an all-in-one feedback platform that makes it easier for us to capture comments and questions.
- This program helps us provide in-the-moment feedback using cell phones, tablets or PC's quickly and easily.
- This also helps us identify likes and dislikes, needs and wants and any problems or requests. Visit our website to learn more about the program: <https://studentaffairs.jhu.edu/dining/text-n-tell-feedback-program/>

Student Disability Services

Hop On Board Family Webinar

2025

Student Disability Services

S

We work with traditional undergraduate and graduate **students** with documented disabilities in the Whiting School of Engineering (WSE), Krieger School of Arts and Sciences (KSAS), and the Peabody Institute.

D

A **disability** is a physical or mental impairment that substantially limits one or more major life activities.

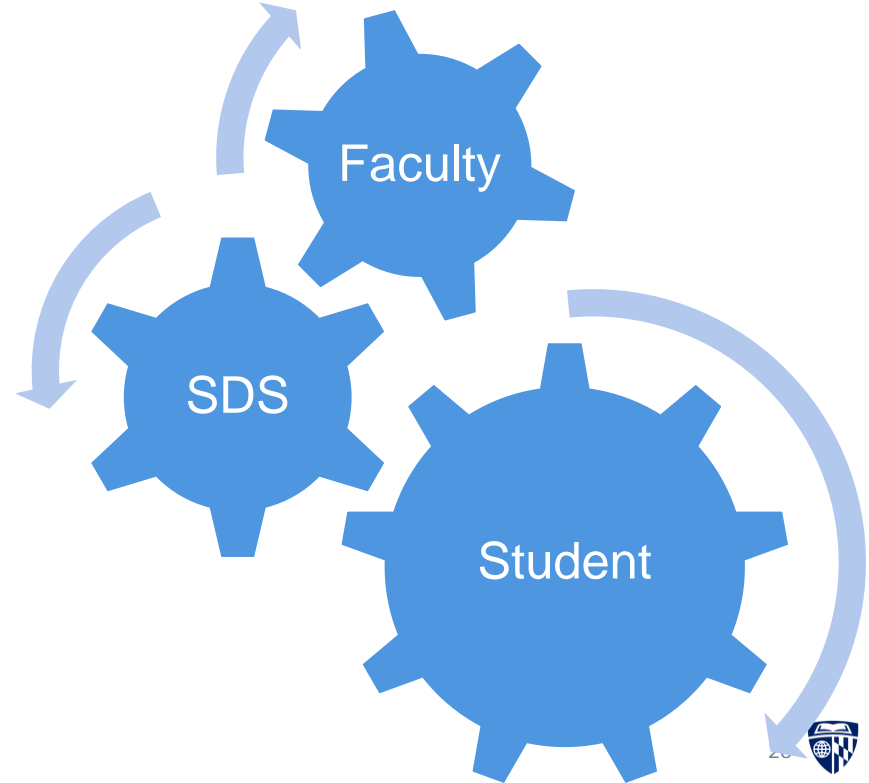

S

We provide a variety of **services** that include promoting accessible and equitable student experiences by leading and collaborating with campus partners to proactively remove barriers, raising awareness of best practices, and fostering an appreciation of disability as an area of diversity.

Interactive Process

We Begin with the Framework of:

- Is this a student with a disability
- Who needs an accommodation that is reasonable and necessary for equitable access and nondiscrimination
- That will logically remove an unnecessary academic barrier
- Without fundamentally altering our campus standards, objectives, expectations and/or experience

Accommodation and Access

Accommodation: is a modification or adjustment to an academic policy or procedure that allows equal access

Access: an equitable opportunity to full participation

Housing Accommodations

- Section 504 speaks directly to housing, stating we must provide comparable, convenient and accessible housing to student with disabilities at the same cost as to others.
- Housing accommodations can be requested while recognizing that the purpose of on-campus living is not for studying or alleviating all fears, anxiety, stress or discomfort
- Common Housing Accommodations
 - Bring an extra mini refrigerator
 - Campus proximity

Dining Accommodations

- Students with more significant or severe responses to certain foods, such as,
 - difficulty swallowing and breathing
 - asthma
 - anaphylactic shock
- May be recognized as having a disability as defined by the ADA because certain food allergies may substantially limit major life activities

Getting Started with SDS

1. Complete the [SDS online application](#) through AIM (university-wide database).
2. Submit documentation after application submission.
3. Schedule a meeting with the SDS advisor.
