W elcome Blue Jay Families!

It is our pleasure to welcome you to Johns Hopkins University and the 2019 Parent and Family Orientation program. Just like your student, your family is experiencing a transition, and we want to ensure you feel a part of the process. In turn, we have planned a series of dynamic Parent and Family Orientation programs to provide you with insightful information and campus resources. We encourage you to take advantage of these opportunities and participate when you can.

If we can ever be of service to your family, please contact the Office of Parent and Family Relations at bluejayfamilies@jhu.edu, 410-516-7355 or visit our website at jhu.edu/families.

Wishing you all the best! Go Hop!
